

Cal Poly Friday Night Live Internship

PROGRAM DESCRIPTION

OBJECTIVE

The Friday Night Live Internship serves as an introduction into the field of behavioral health. Interns will gain experience developing education and activities that promote emotional, psychological, and social well-being and prevent substance use disorders and related consequences among youth and young adults.

BEHAVIORAL HEALTH AS IT RELATES TO THE FRIDAY NIGHT LIVE INTERNSHIP

- Promotion of wellbeing through awareness education, self care strategies, stigma reduction, and healthy coping skills.
- Prevention of substance use disorders and other consequences (e.g binge drinking, underage drinking, alcohol poisoning/ drug overdose, impaired driving, decreased academic success, mental health issues).

STANDARDS OF PRACTICE

Safe environment

- Create a space for students to feel physically and emotionally safe to be who they are.

Meaningful relationships

- Provide opportunities for students to build relationships with peers, professionals, and community members.

Opportunities for community engagement

- Provide opportunities for students to learn about, interact with, and give back to their community.

Leadership and advocacy.

- Provide opportunities for students to participate in decision-making and express their opinions about important issues.

Skill building

- Provide opportunities for students to build specific and useful skills.

PROGRAM REQUIREMENTS
